INTRODUCTION: WHY WE MUST KNOW ALLAH

How well do we truly know Allah?

We pray to Him. We ask from Him. We rely upon Him. But do we truly understand Who He is?

One of the greatest foundations of Islam is Tawheed, the Oneness of Allah. Tawheed is what makes a person Muslim. It is the core of our faith. It is the reason we worship, the reason we submit, and the reason we hope for Jannah.

Scholars explain Tawheed in three essential categories:

Tawheed ar-Rububiyah: Believing that Allah alone is the Creator, Sustainer, Provider, and Controller of all affairs.

Tawheed al-Uluhiyyah: Directing all acts of worship (dua, prayer, sacrifice, reliance, love) to Allah alone.

Tawheed al-Asma wa Sifat: Affirming Allah's Names and Attributes as He revealed them, without distortion, denial, comparison, or imagination.

Many Muslims understand the first two. But the third, Tawheed al-Asma wa Sifat is often neglected. Yet it is deeply connected to how we think, speak, and behave.

When we do not truly understand Allah's Names and Attributes, we may unknowingly say things or develop dependencies that conflict with pure Tawheed. When someone we love is critically ill, emotions take over. We may say to a doctor, 'You are the only one who can save my child' or 'If it wasn't for you, my father would not be alive.' While we may not intend shirk, such statements can cross dangerous lines. The doctor is a means, but the One who gives life and death is Al-Muhyi and Al-Mumit. The One who truly cures is Ash-Shafi. The One who controls every outcome is Al-Qadir.

When Tawheed al-Asma wa Sifat is not deeply understood, reliance shifts subtly. Words slip casually. Hearts attach incorrectly. And shirk, associating partners with Allah, is the most serious sin in Islam. It is the only sin Allah says He does not forgive if a person dies upon it without repentance.

SubhanAllah.

WHY KNOWING ALLAH TRANSFORMS YOUR LIFE

This is why knowing Allah is not optional. It is protection. It is purification. It is survival.

When you truly know Allah:

- Your tawakkul (reliance on Allah) becomes unshakable.
- Your duas become powerful and purposeful.
- Your heart stops depending on people.
- Your fear decreases and your faith strengthens.
- You see His hand in every ease and every difficulty.

"And to Allah belong the Most Beautiful Names, so call upon Him by them." (Surah Al-A'raf 7:180)

Memorising and understanding the 99 Names is not just knowledge, it transforms how you make dua. When seeking forgiveness, you call upon Al-Ghaffar. When seeking provision, you call upon Ar-Razzaq. When seeking justice, you call upon Al-'Adl. When feeling weak, you call upon Al-Qawiyy.

Calling Allah by the appropriate Name with understanding brings depth to your dua. It increases humility. It increases sincerity. And Allah loves to be called by His Names.

This document is your complete, lifetime reference, a guide to knowing, understanding, and calling upon Allah through all 99 of His Beautiful Names.

ABOUT NEW DAWN FOUNDATION

New Dawn Foundation is an Islamically-driven charitable initiative built upon sincerity, purpose, and the pursuit of Allah's pleasure. Founded in 2020, it began as a simple effort to help others give Sadaqah and has since grown into a meaningful community striving for excellence in both *Dunya* and *Aakhirah*.

At its core, New Dawn was born from a powerful belief:

"The one who facilitates الخير (goodness) shares in its reward."

With this intention, the foundation focuses on bridging the gap between *intention and action*, making it easier for individuals, especially elders and women, to fulfill their charitable goals while earning continuous rewards.

Our Mission

To create a system where الخير flows effortlessly, connecting those who wish to give with those truly in need, while nurturing a community that understands, practices, and lives by Islamic & Moral values. We aim to build not just acts of charity, but a *mindset of عبادة (worship)*, where every contribution becomes an investment for the Hereafter.

What We Do

Our initiatives are designed to create *real impact with spiritual value*:

- **Meal Distribution Program**
We distribute high-quality meals (often biryani) to the poor, homeless, and working-class needy, sourced from small Muslim vendors, thereby supporting livelihoods while serving those in need.
 - **Weekly Sadaqah System**
A structured Friday program encouraging consistency in giving, turning charity into a habit, not a one-time act.
 - **Seasonal Relief Efforts**
Including summer drink distributions and emergency support for laborers and vulnerable communities.
 - **Ramadan Initiatives**
From iftar distributions to essential provision kits, our Ramadan programs focus on maximizing الخير in the most blessed month.
 - **Sadaqah Jaariyah Projects**
Supporting masjid construction, Qur'an distribution, prayer facilities, and other long-term الخير initiatives that continue rewarding even after one's lifetime.
 - **Verified Fundraisers**
We assist individuals and families facing genuine financial hardship, ensuring authenticity, dignity, and privacy.
 - **Custom Sadaqah Requests**
A flexible approach that allows donors to fulfill specific charitable intentions with ease and trust.
-

Our Unique Approach

We strive to create a *cycle of barakah*, where every act of charity benefits multiple lives:

- Donors earn reward
- Vendors gain livelihood
- Recipients receive dignity and care

This holistic approach ensures that الخير reaches all ends of the process.

Our Vision

To grow into a transparent, tech enabled, and widely accessible foundation, while preserving the sincerity and personal connection that defines us.

We envision a future where giving Sadaqah becomes effortless, consistent, and deeply meaningful for every Muslim.

A Journey of Purpose

What began as a small effort by a young individual with limited means has evolved into a community of believers striving together.

New Dawn is not just an organization,
It is a *movement of intention, faith, and action for the best of both worlds*.

A reminder that success is not only in what we achieve in this world,
but in what we *send forward* for the next.

“Work for this world as if you will live forever, and for the Hereafter as if you will die tomorrow.”

May Allah accept from all of us, place barakah in this effort, and make it a means of guidance, الخير, and Sadaqah Jaariyah for generations to come.
